is the ideal partner for financial processes and activities.

### Nice to meet you!

We are Bofa Partners. All-round financial specialists. Ambitious and experienced professionals. We might be your future partner!

Below you can read which activities we can take off your hands and how we plan to do this.

### Taking action

Bofa Partners gladly takes action! We can take care of your entire financial administration or part of it.

For example:

- periodic maintenance / closing of the financial administration;
- assistance with / preparation of budgets;
- preparation of management information / reporting;
- preparation / reviewing of audit files;
- preparation / reviewing of financial statements;
- preparation / improving AO/IC;
- assistance with various financial projects.

### Why Bofa Partners?

- ✓ All-round professionals
- ✓ Flexibility
- ✓ Integrity
- ✓ To the point

Bofa Partners customer base mainly consists of medium-sized and large businesses.

We carry out short-term assignments (for example monthly closings), but you can also hire us for an extended period of time (several weeks/months). We will match our availability to your specific wishes and needs.

### In need for support

Sometimes the workload on your financial administration is considerably higher than normal.

For instance when:

- peaks occur;
- there are arrears that have to be processed;
- one of your employees goes on maternity leave;
- you get a temporary assignment, but don't have the manpower.

You don't have to worry because Bofa Partners is ready to provide you with **extra capacity**. Bofa Partners is a financial specialist whose employees are flexible to work with and quickly familiarise themselves with your software and file structure. A comforting thought.

### In safe hands

At Bofa Partners your finances are in safe hands. Our team of professionals is experienced in financial services and often have a background in accountancy. **Integrity is our top priority**. We work efficiently, but do not lose sight of service and customer friendliness. We like to use informal communication with our customers and stick to the point.
